## FREEPORT PATRONS IN A RUNAWAY ACCIDENT

One Woman Is Kicked by a Terrified Hack Horse and Is Painfully Injured.

## GYMKHANA FOR ICE FUND

[SPECIAL DESPATCH TO THE HERALD.] FREEPORT, L. I., Tuesday.—Mr. T. V. Cannon, of Chicago; his sister, Miss Lila Cannon; Mrs. W. Locke, of Manhattan; and Mrs. H. Mann, of Washington, D. C., had an extremely narrow escape from serious injury in a runaway accident yesterday. The party were summering at Grove Park, from which hotel they started in a lively hack for a drive to Long Beach.

The manner in which that hack horse demolished the front of that carriage was a caution. After kicking for several minutes the horse suddenly took a notion to bolt. It was at this stage that Mr. Cannon's troubles began, all the women attempting to get out while the horse was running. With one arm holding them in the carriage Mr. Cannon held the reins with the other. After running a short distance the carriage struck the horse again, whereat he again stopped and began to kick.

Mrs. Mann attempted to jump from the hack, and was almost over the wheel when the horse lashed out his hoofs, striking her knee. Mrs. Mann was knocked to the bottom of the carriage and remained there.

Mr. Cannon then succeeded in calming the terrified animal. Mrs. Mann, suffering from great pain, was taken to a nearby house, and her injuries treated by a physician. The party were then taken to the Grove Park Hotel. Her injuries are not serious, although very painful.

The Freeport Golf Club will play a team from Massapequa on Saturday, on the home links. The last time the Massapequa team came over the home team was badly beaten.

On September 19 a cricket game will be played on the field of the Freeport Golf Club, the competitors being an English team which will soon arrive and a picked team from Freeport. The game will be composed of men of the Freeport club.

Water sports and gymkhana for the NEW YORK HERALD Free Ice Fund, which is to be held at the Woodcliff Inn next Tuesday, will be a most interesting affair. The events will consist of a 100-yard dash, swimming race, wheelbarrow race for ladies only, sack race for boys, an egg race and a potato race. Judges and a starter have been appointed by the management of the hotel, and a first class time will be enjoyed by all who attend. Ladies from Hempstead and Freeport are especially invited to attend and participate in the sports. Tickets for the events will be on sale in the evening there will be a hop in the inn, for which a special orchestra has been engaged.

## AUGUST BRINGS INFLOX OF PEOPLE TO EDGEWARE

Hotels and Cottages Filled to Overflowing, with Bookings to the Season's End.

## TWO BIG ANNUAL BENEFITS

[SPECIAL DESPATCH TO THE HERALD.] EDGEWARE, L. I., Tuesday.—The warm weather of the last few days has caused another large influx of patrons to the Edgeware Hotel, which is now filled to the roof. The hotel cottages are also filled, and August promises to be a record breaker. Nearly all of those registered at the Edgeware are booked for the rest of the season.

Bathing has taken another boom with the return of warm weather, and during the bathing hour the beach is black with people, many of whom come from Wave Crest, Ocean Crest and Far Rockaway. Among the women bathers are several experts, who take long swims off shore, accompanied by Lifeguard David Benson on his catamaran.

Last night the waiters of the big hotel held their annual cake walk and dance at the Half Way House, and many persons from the hotel and cottages attended. The annual clam bake and entertainment of the employees of the Edgeware Bathing Pavilion will be held on Saturday evening, August 22, in the bath house. A fine programme by several well known vaudeville artists and other talent is promised, and the board walk and pavilion will be brilliantly illuminated.

Considerable excitement was caused among the cottagers here a few days ago, when it was rumored that the Baroness E. von Rythner had been robbed of several thousand dollars' worth of jewelry. A detective was sent around to the Baroness' cottage, and found the jewels just where they had been placed the night before.

Many fishing parties have been going the last week and returned with good catches of bluefish, which are very plentiful off here.

Professor and Mrs. Pierre de Poyet Ricketts, who have been at the Edgeware Hotel for several weeks, have left for Nova Scotia. They have been joined en route by the daughter, Miss Matilda Ricketts, who had visited friends in Maine.

Mr. and Mrs. R. Well, of New York, are occupying the Friedman cottage, on Grand Avenue, this summer, and have been entertaining quite a large number of friends.

Mr. F. Stachelberg and family, who occupy one of the Everett cottages in Ocean Avenue, will remain here until the middle of October.

Mr. and Mrs. Malcolm R. Lawrence have entertained many of their Brooklyn friends at their summer home in Neptune avenue this season.
